Terminal tackle details

Please describe your lost terminal tackle (ie. fishing lure, hook, weight, fly, length of line) and the approximate location where the item is lost. Once you have listed your items, please mark the item number on the map provided below.

Item #	Tackle description	Location
1		
2		
3		
4		
5		

Once completed, please place the form in the drop box located on the fishing pier at the south end of the lake. If your item(s) are retrieved successfully, you will be contacted to identify and claim them from Friends of Lafarge Lake.

Friends of Lafarge Lake is a citizen group which aims to reduce human impact on Lafarge Lake in Coquitlam. We are committed to succeed in this pilot project so a province-wide program can be established to minimize recreational fishing waste.
